

Food & Drink – Safety Pass Alliance (SPA)

Course Overview (Benefits)

This course enables contract personnel to satisfy the need for high standards in Health & Safety training in the food & drink industry. The Food & Drink Safety Passport Scheme, accredited by the SPA is a way of only accepting personnel who hold this Safety Passport. Successful completion of the course results in delegates being issued with an identification passport, which is valid for 3 years. This course meets the statutory requirements of the Health & Safety Executive. The course aim is to:

- Reduce time spent on the induction of contractors on site
- Provides assurance on levels of contractor health & safety awareness
- Ensure all contractors are working to best practice
- Improve job prospects and increase competitiveness through the use of certified personnel

Course Content (topics covered)

The course covers a wide range of topics in the Food & Drink sectors, including:

- Food sector syllabus introduction and hygiene
